

Mansion House Club Tennis

The Mansion House Tennis Program is ready for a great 2021 season! All tennis classes and programs this year will be staffed by **SMASH TENNIS NOVA**.

New Coach!

Stefan Stankovic will be our head tennis coach for the 2021 summer season! Stefan comes to us from Serbia where he was an active youth tournament player and college athlete. He has been teaching in the Northern Virginia area since 2015, working directly with USTA Mid-Atlantic before joining the Mount Vernon Athletic Club staff shortly before its closure. In 2020, Stefan was instrumental in running the Hollin Meadows Swim and Tennis Club in the Covid-19 environment, directly creating lesson plans as well as safety measures for both private and group lessons.

Stefan has a Professional Tennis Registry 10 and under certification, as well as USTA Net Generation Certification. Stefan will be teaching the group clinics as well as offering private instruction.
