

MANSION HOUSE CLUB, INC.

Operating Rules for 2024

Mansion House Club (MHC) offers a variety of services to its members including casual and team swimming, casual and team diving, casual and team tennis and a social agenda. These rules were developed throughout the years to provide everyone the opportunity for quiet enjoyment of the facilities. Your family's cooperation is greatly appreciated.

Only member families in good standing are permitted to use the pool and tennis courts.

Guests, accompanied by a member age 13 or older, will be admitted upon payment of guest fees. Fees can be paid at the front desk by guest pass, or cash. Exact amount of fee is required as all cash is locked up and change cannot be made. For casual guests (area residents), guest fees are \$5.00 per individual per day or one guest pass.

The pool is open from 11:00 am to 9:00 pm, weather permitting, from Memorial Day through Labor Day. Team practices and events will interrupt this schedule for scheduled meets and other team events. A few club social events will also interrupt this schedule, usually closing the pool early to prepare and setup for an evening event. Please review the bulletin board and website home page for announcements of these events. Check with the pool manager on duty to determine when lap lanes will be open. Tennis court use is permitted year-round from 8:00 am to 9:00 pm, weather permitting.

Please review all of the rules included in this document with your family prior to using the pool or tennis facilities. Please respect the guards when they call your attention to a rule or discipline your children. They must enforce all rules for the safety of all. The lifeguards and the coaches have the right to refuse service to anyone who does not abide by these rules and general rules of proper conduct. Your elected Board is comprised of volunteers who are available to assist you. Please contact a Board member immediately if things are not as they should be or if you have a suggestion. Also, volunteers are always needed to make everything run smoothly. This is your pool and tennis facility. Board member contact information is on the web site and periodic newsletters.
